

LION '82

5017

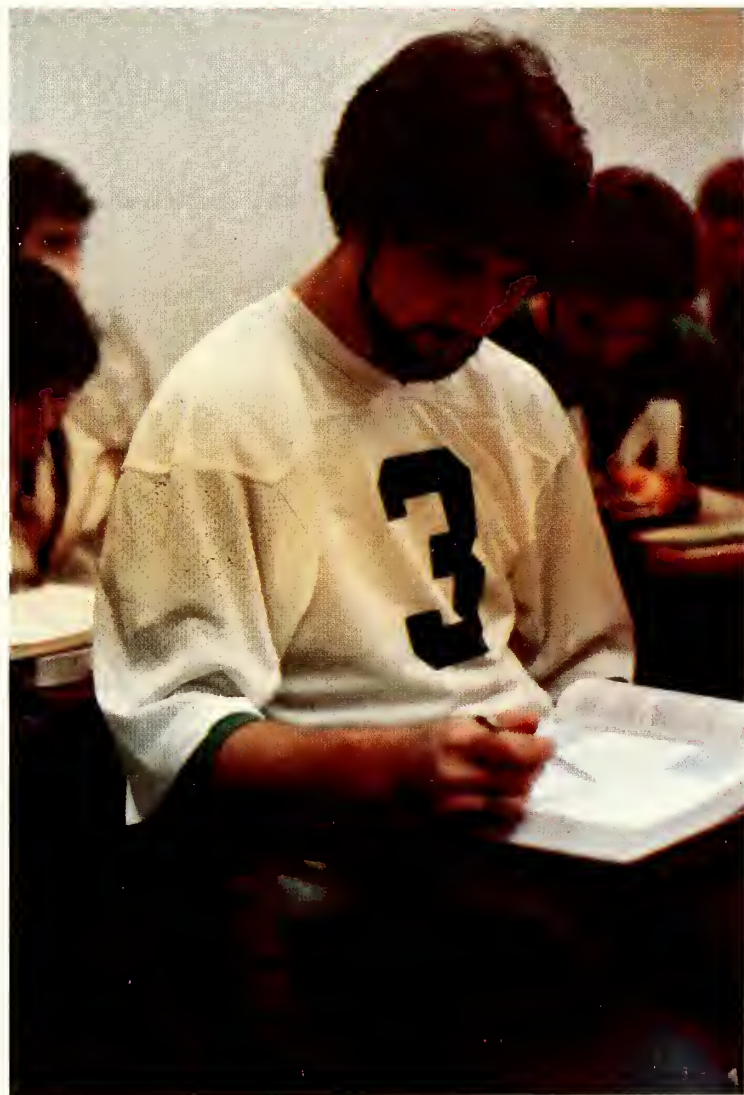

What person on campus always carries a lot of extra change for the concession machines?

Who always shows up early at all the activities to make sure everything is going smoothly?

Who works nights, some afternoons and most weekends keeping an eye on things?

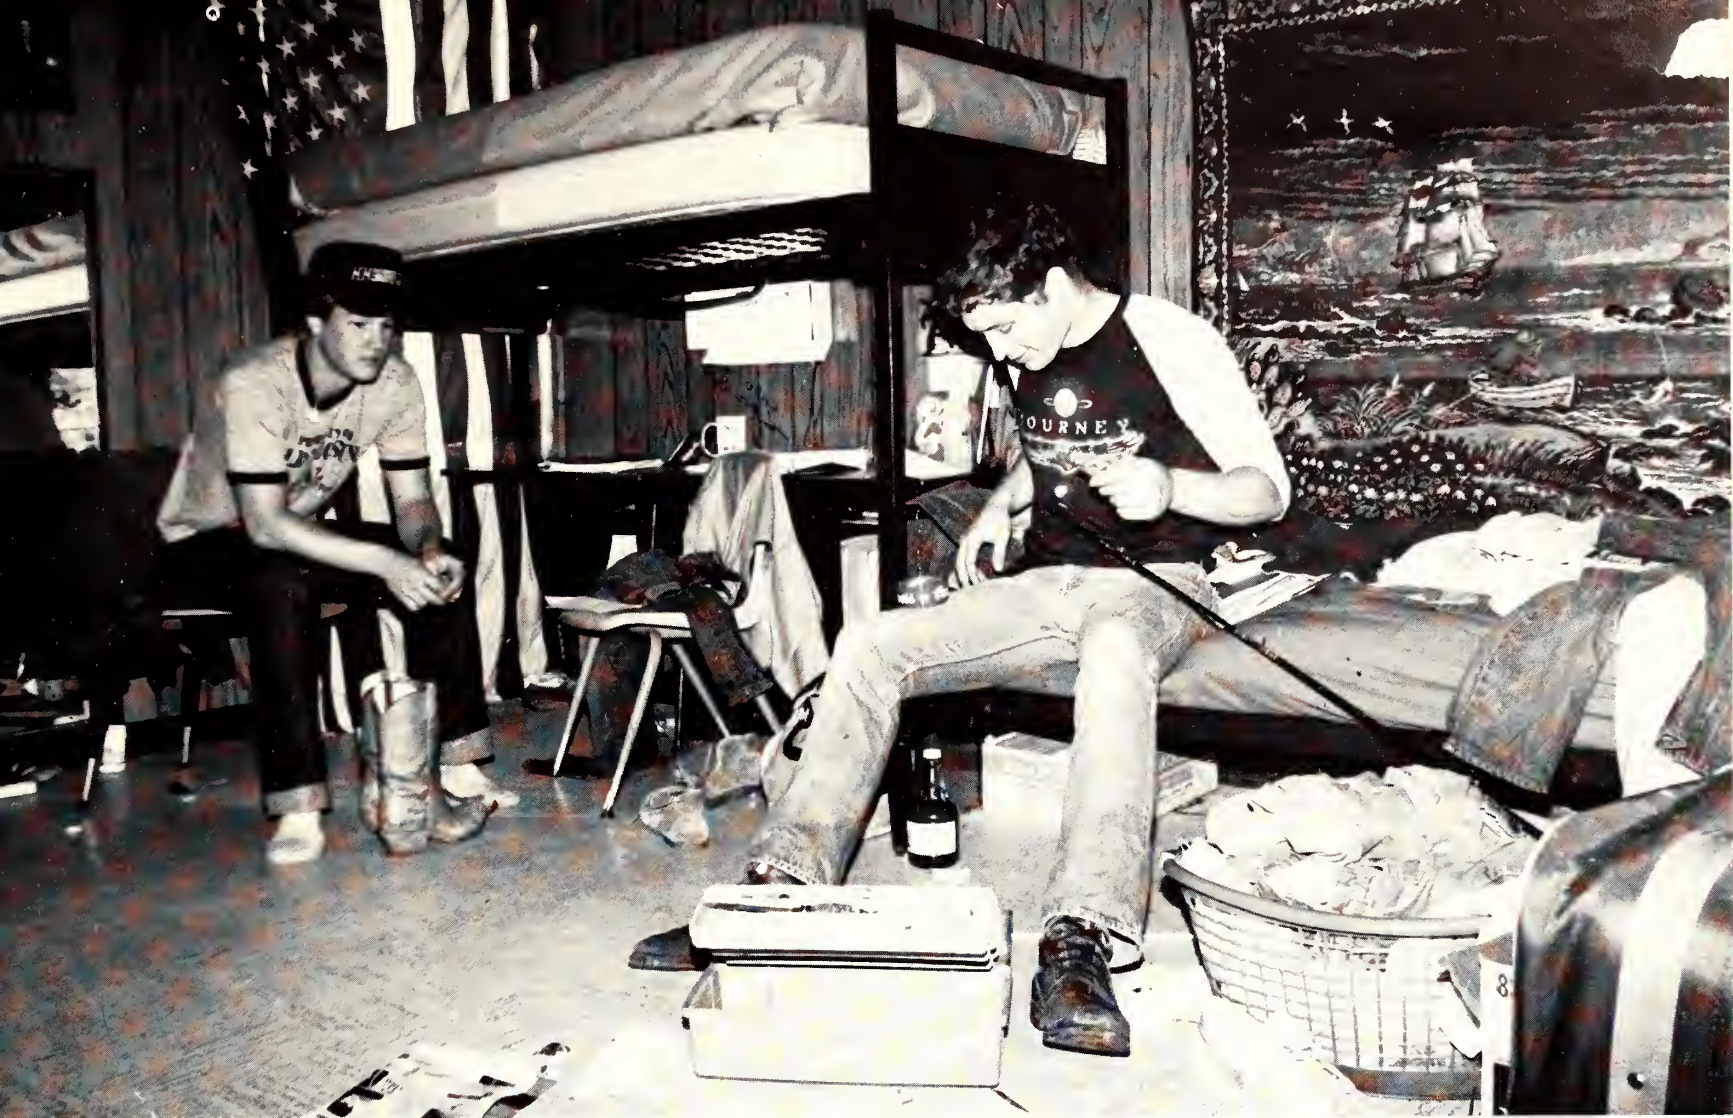

Who dedicates himself to the students in every aspect of his work? The answer to these questions comes in the form of one man. A big man. He's 6'9" and must weigh 260 pounds. He has a big heart to go with the big frame. He loves us and we love him. He dedicates himself to us and we dedicate this, the 1982 LION to him . . .

Mr. Paul Luke.

Dear Students:

On behalf of the Administration, Faculty, and Board of Trustees, we hope this has been an enjoyable year for you. We know that your objectives and career expectations are laudable and sincerely hope that EMJC has contributed. It gives us great pleasure watching you mature, not only in age but in character, integrity, and actions. We know that you will become even better citizens making worthwhile contributions to your community, state, and country.

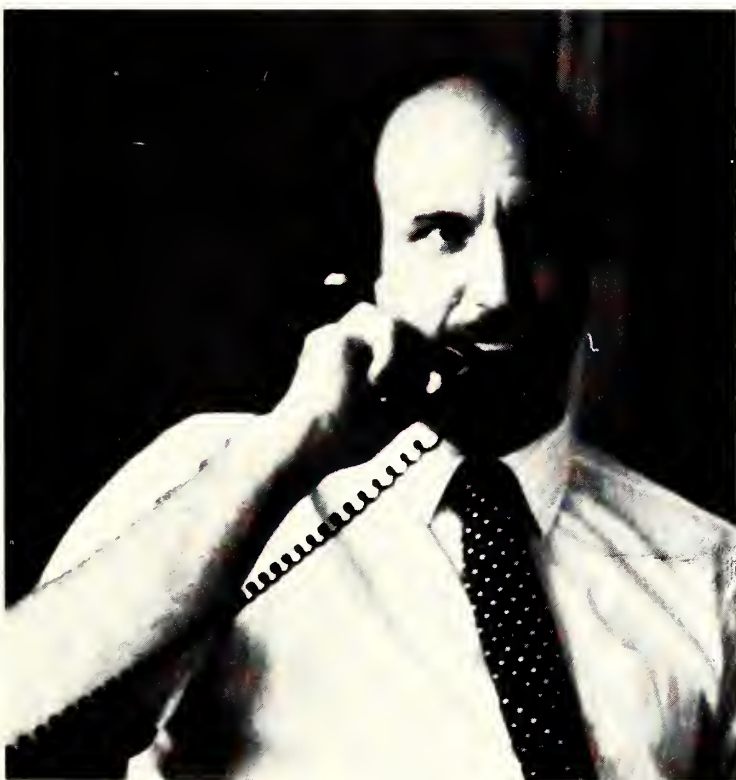

I charge you with the following as you pass through the remaining years of your life! Do your best in any task attempted. Treat your fellow man as you would like to be treated.

May God grant you a prosperous and happy life with best.
